

## **West Coast Weasels. Resolution of Inception, April 18, 2001.**

Whereas, There exists a group of Weasels from Thousand Oaks, California and nearby communities who meet and ride regularly; and

Whereas, There exists a camaraderie amongst the group of Weasels from Thousand Oaks, California and nearby communities which is evident by their conduct of continued association and incestuous habits; and

Whereas, The unity and in-breeding continues within the group of Weasels from Thousand Oaks, California and nearby communities, independently of the Los Angeles Chapter of Weasels or any other chapter or den in Weaseldom; and

Whereas, All members of the group of Weasels from Thousand Oaks, California and nearby communities share these sentiments and are somewhat unified in their ill intentions; and

Whereas, The group of Weasels from Thousand Oaks, California and nearby communities exceeds a dozen in number when counted by somebody reasonably capable of counting;

Be it Resolved by the group of Weasels from Thousand Oaks, California and nearby communities, That they shall heretofore be known and referred to as the **West Coast Weasels**; and

Be it further Resolved, That the **West Coast Weasels** shall be an autonomous family of Weasels, spawned from the family of Weasels sometimes referred to as Los Angeles Chapter, and subsidiary to that larger disorganization of Weasels known as Weasels USA; and

Be it further Resolved, That the **West Coast Weasels** shall be a self-governing body of Weasels, sometimes showing total disdain for bodies of government; and

Be it further Resolved, That the **West Coast Weasels** give this notice in respect to the Grand Weasels of the Los Angeles Chapter and in respect to all Original Weasels in Weaseldom; and

Be it further Resolved, That the **West Coast Weasels** shall endeavor to recognize their roots and act in accordance with the loose parameters of conduct worthy of rodents; and

Be it further Resolved, That the **West Coast Weasels** shall meet regularly or whenever they feel like it on Wednesdays at the oldest known watering hole in Thousand Oaks, California commonly referred to as Akrey's Tavern; and

Be it further Resolved, That Akrey's Tavern shall heretofore be known to the **West Coast Weasels** as *Weasel Den West* or more formally as the *West Coast Weasel Den of Iniquity*; and

Um, I think that's it.
